By JOHN WHITMARSH:

Just publish'd,

I. A Modest Enquiry into the Conduct of the
Court of Aldermen: In which the true Reasons that
induced them to put a Stop to the Building of the Mansion-
House, by their negative Vote of the 7th of June last, in
Common-Council, are respectfully sought for, but not
found. With some short Reflections on the Use and Abuse
of the Negative Power in that Court. To which is added
A seasonable Caution to the Commoners of London to be-
ware of too great a Growth of Power in the Court of
Aldermen.

II. Scurrility and Defamation corrected; being an Apo-
logy for the Conduct of the Gentlemen, of late Years, en-
trusted with the Management of the City's Affairs; and an
humble Appeal to the Candour of every judicious and un-
biass'd Citizen.
