

## Bill Woodcock's Circus Album

*Bandwagon*, Vol. 4, No. 2 (Mar-Apr), 1960, p. 3.

This photo was taken around 1920 on the Ringling Bros. and Barnum & Bailey Circus. The Ringling Barnum dens of that era were beautifully painted and gold-leafed. This cage carried the male Indian "Armored" Rhinoceros named Bill. The Barnum show first exhibited Bill around 1907 and he died at Fort Worth, Texas during the 1926 season.
