

Roosevelt Kills Rhinoceros.

Nairobi, British East Africa.—A bulky bull rhinoceros is the latest prize wrested from the jungle by Colonel Roosevelt. From the ex-president's camp near Machakos word was brought down on Monday, May 10, that the luck of the Roosevelt party continued and that fifteen varieties of game, including the big rhinoceros, had been bagged on the last expedition. The rhinoceros was rushing Mr. Roosevelt when the hunter fired. The distance was fourteen paces.
