

Application to join the

## RHINO & ELEPHANT FOUNDATION

YES, I/we would like to support REF's efforts to conserve rhinos and elephants and to preserve their natural habitats.

REF members receive an informative journal covering both popular and scientific articles on the conservation of rhinos and elephants and their habitats. You also receive the regular REF newsletter featuring social events and sponsorship news, as well as interesting stories, facts, figures and updates on rhino and elephant and broader conservation issues.

### ADMINISTRATION

REF is a non-profit, non-governmental conservation organisation and a fully accredited member of IUCN - the World Conservation Union.

REF's activities are managed by a Board of Trustees and Advisors - among them are leading names in commerce, conservation and wildlife management agencies, safari organisations, the wildlife trade, non-government wildlife and conservation organisations and the art world.
