# JACOBUS VOORN

*Lecturis valere & gaudere.*

Postquam mihi curandæ ANATOMIÆ publicæ demandata fuit provincia, illud sedulo operam dedi, ut mea cura tam ad cives nostros, quam hospites quibus fama *Leydensis* innotuit Anatomiz, redundaret utilitas. Variis hæc & luculentis Clarissimorum virorum instructa donariis, quæque temporis invidia, & Longa Oblivione obruta jacebant: in sinu servat reclusa. Quicquid videt cum maxime oriens & Occidens, omne missa in compendium via ostentat, & ne confusa CHAOS intentionis aciem vestræ abrumperet, ita in hoc Catalogo descripsi, & disposui omnia, ut nullo opere quærentibus occurrant Spectanda.

VALE LECTOR, & fructe.
