

## TWO OF THE FINEST ANIMALS FOUND IN BURMA'S FORESTS

A HERD OF GAUR DESCENDING FROM THE FOREST TO GRAZE IN THE OPEN IN THE PIDAYONG GAME SANCTUARY

THE TWO-HORNED RHINOCEROS (*Rhinoceros*) OF BURMA

This fine beast, a male, was shot in the Shan-a-dang Game Sanctuary in 1929 and presented to the British Museum. The posterior horn is a water horn.
