A PRIZE COMPETITION

THE Proprietors of the *Badminton Magazine* offer a prize of Ten Guineas each month for the best original photograph sent in representing any sporting subject. Ten other prizes will also be given away each month, each of them consisting of an original drawing by one or other of the artists who illustrate the Magazine. Good clear pictures are of course necessary, and when possible the negative should be sent as well as the print. Competitors may also send any photographs they have by them on two conditions: that they have been taken by the sender, and that they have never been previously published. A few lines explaining when and where the photographs were taken should accompany each negative. Residents in the country who have access to shooting-parties, or who chance to be in the neighbourhood when hounds are running, will doubtless find interesting subjects, and these will also be provided at football or cricket matches, wherever golf, cycling, fishing, skating, polo, athletics are practised. Racing and steeplechasing, including Hunt Meetings and Point-to-point contests, should also supply excellent material. All matters of Public School interest will be welcome.

The Proprietors are unable to return any rejected matter except under special circumstances, and they reserve the right of using anything of interest that may be sent in, even if it should not receive a prize. They also reserve to themselves the copyright on all photographs which shall receive a prize, and it is understood that all photographs sent are offered on this condition.
