

THE BULL RHINO MAKES UP HIS MIND—

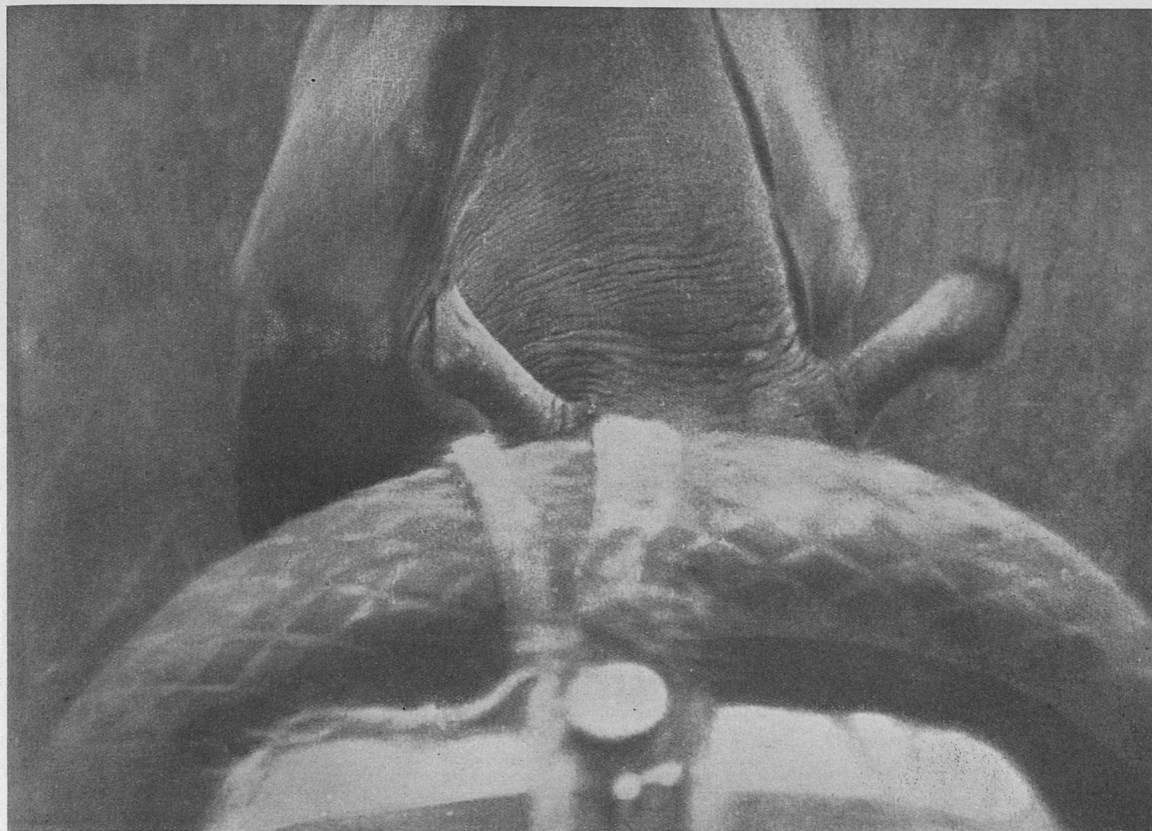

THIS BULL RHINOCEROS, ENCOUNTERED BY CAPTAIN H. A. WHITE AND MAJOR JACK COATS ON THEIR NATURAL HISTORY EXPEDITION TO EASTERN AND CENTRAL AFRICA LAST YEAR, DID NOT LIKE THE LOOK OF THEIR MOTOR LORRY—

—SO HE LOWERED HIS HEAD AND CHARGED FULL TILT INTO THE RADIATOR ON WHICH WAS LASHED A SPARE TYRE

—TO HOLD UP THE TRAFFIC

THE IMPACT SHOOK THE LORRY FROM END TO END, AS THOUGH IT HAD HIT A BRICK WALL

THE RHINO, PUZZLED AND ANGRY, RETIRED FOR A SECOND CHARGE AND OVERTURNED THE LORRY. A PICTURE ON THE FOLLOWING PAGE SHOWS THE DAMAGED LORRY, AFTER THE ATTACK
