

WOULD YOU KILL A RHINOCEROS? BY ARTHUR BRISBANE HOW This Man Did It---Although the Odds Were With the Rhinoceros

THOST HALL DOLL THE WAY AND A DOLL THE ADDRESS AND A DOLL THE ADDRES

could thus no accepted to their brite faces or agent of noisely, relied on their brite faces or agent for a facty. The rhisecores trasted to his thick hide and the horn at the end of his most hut, movel up-acted by his powerful each, could row sinch his powerful to act, could row sinch his powerful fact and tanks, but avoided any quarter tits the rhisecores. The number of the rhisecore along the fact acts. For the most versions and powerful ser-pents faces this thick-khinecore hide, the results powers of the higgest pithon could have no effect on the rhisecore holy.

Nevertheless, your ancestor the cave

primitive savage, with no weapon, at first, but a sharpened filmt, made himself lord of all the ani-mals, and now protects them from his own kill-

mails, and now protects them from his own kills for, rhincercase, elephants, lions, in game pre-serves, let they become extinct. His problem was how to compose them, now it is how to pre-serve them. Compare this man with the animalty he had no powerful horn, no teeth like the lion, or claws files the longerat. How have many therefore be into the second the normal the lines the risks. rules the earth; by and by he may learn to rule

This picture has a moral. If the man on the left with his poor equipment solved his problem, conjusted all the animals, in-cluding the rhimoscree, from whom the dephant and the loopard flee in terror, we of the twen-ticht century cought to be able to solve our lessor problems, as he solved his by thinking.
