
The **BEAUTIES** and **RARITIES** of the **CREATION**.
At the **LYCEUM**, and over **EXETER 'CHANGE**, in the
STRAND.

IN the former is that renowned Animal the
Rhinoceros, or real Unicorn; also a most beautiful Ze-
bra, curiously striped with variegated Colours, allowed to be
the most perfect Animal of the Kind ever seen in this Coun-
try.

At the Menagerie over Exeter 'Change, is the finest Assem-
blage of Foreign Birds and Beasts in Europe, amongst which
are an Ostrich, the Pelican of the Wilderness, a Pair of beau-
tiful Crown Birds, the Segitair, the Egyptian Ibas, the Gol-
den and common Vulture, the Terriedo or Crested Cuckow,
the Scarlet Lewrey, a curious Non-descript, and a Variety
of beautiful small Birds.

In the adjoining Room is the handsomest Lion in Europe,
with a great Number of very curious Animals.

The utmost Value given for curious Birds and Beasts, by
T. CLARK.
