

# SPORT IN NEPAL.

---

(FROM OUR OWN CORRESPONDENTS.)

CALCUTTA, MARCH 20.

Colonel Ravenshaw the Resident at Nepal, has just finished a most successful shoot. He and his two friends have shot eleven tigers, three bison, one rhinoceros, and a great number of deer and pigs. Two very large pythons were also shot, one measuring twenty-two cubits. One tiger showed great fight and mauled an elephant badly.
