

# A SPLENDID TIME.

---

New York:  
THOMAS NELSON AND SONS.

London:  
S. W. PARTRIDGE AND CO.

THE RHINCCEROS.

NOT pleasant to meet this fellow during a morning stroll, for his horn would give a nasty wound ; but fortunately for us he lives very far away in hot countries, where he keeps near the rivers, feeding on the reeds and water plants, and sometimes doing much harm to the fields of grain.
