§§§ That the grand and surprizing Collection of **WILD BEASTS**, that has been so much talked of, and has been in most publick News Papers in England. is come to Town and to be seen at George Ramsay's Stabler at the Black Horse, Canongate.

1st, The noble Female **RHINOCEROS**, or real **UNICORN**. A Work of Nature not to be parallel'd, being up ^{weighs} Seventy hundred Weight, taken by the famous **Kouk** from the Great Mogul, all in a Coat of Mail or Armour.

2^d, The grand and surprizing **BUFFELO**, from Arabia being the handsomest and most surprizing Beast that ever was seen, having Haunches finer than any Horse what ever, has a Hump like a Camel, and a Tail like a Lion.

3^d, The young **MAN-TYGER**, or **MOUNTAIN APES**, having a blue Face, corded like a Pair of Serpents and very surprizing.

4th, The ravenous **WOLF**, from Russia, whole Troops of which sometimes come and destroy Villages.

And an **APE**, that shews several Tricks.
With many more too tedious to name, and allowed the grandest Collection in Europe.
